

Jannat Academy

Introduction:

Jannat Academy is an Islamic online school that offers a comprehensive education to students from Sadsa to Aaliya Rabiya. Our online school is accessible to students from all over the world. We aim to provide a nurturing online environment that is grounded in Islamic teachings and values.

Mission:

Our mission is to provide a well-rounded education that combines Islamic teachings and values with a rigorous academic curriculum. We strive to develop our students' critical thinking, communication, and problem-solving skills while instilling in them a strong sense of Islamic identity and values. We aim to create a community of lifelong learners who are committed to serving their families, communities, and the world at large.

Curriculum:

Our curriculum is designed to meet the academic needs of our students while also providing a solid foundation in Islamic teachings and values. We offer a range of subjects, including:

Arabic language: Our Arabic language program aims to develop our students' proficiency in reading, writing, and speaking Arabic.

Islamic studies: Our Islamic studies program covers a range of topics, including Quranic studies, Hadith, Islamic history, and jurisprudence.

Quranic studies: Our Quranic studies program focuses on the recitation and memorization of the Quran, as well as an understanding of its meaning and interpretation.

Mathematics: Our mathematics program covers a range of topics, including arithmetic, algebra, geometry, and calculus.

Science: Our science program covers a range of subjects, including biology, chemistry, and physics.

Social studies: Our social studies program covers a range of topics, including geography, history, and civics.

English language: Our English language program aims to develop our students' proficiency in reading, writing, and speaking English.

Admissions:

Admissions for the first academic year of Jannat Academy Online will be open from 1st May to 20-May-2023. Prospective students and their parents are invited to visit our online campus, meet our faculty and staff, and learn more about our program. Admissions are open to students of all nationalities and backgrounds who meet our academic requirements and demonstrate a commitment to Islamic values and teachings.

Classes:

We offer the following classes at Jannat Academy Online:

Primary School (A'dadiya): Our Primary School program focuses on building a strong foundation in language, mathematics, science, and social studies, while also providing a solid grounding in Islamic teachings and values.

Middle School (Thanawiya Ula – Aaliya Rabia): Our Middle School program builds on the foundations laid in Primary School and introduces more advanced concepts in language, mathematics, science, and social studies. Students also study Arabic language, Islamic studies, and Quranic studies.

High School (Aaliya Saniya – Aaliya Rabiya [From Next Year]): Our High School program prepares our students for university and beyond by offering a rigorous academic curriculum that includes a range of Advanced Placement (AP) courses. Students also continue to study Arabic language, Islamic studies, and Quranic studies.

Diploma: The diploma course at Jannat Academy covers a wide range of topics, including Islamic history, theology, jurisprudence, and spirituality. Students will also learn about the Quran and its interpretation, as well as the life and teachings of Prophet Muhammad (peace be upon him) and other Islamic scholars and leaders.

Online Learning:

At Jannat Academy Online, we offer a variety of online learning tools and resources to help our students succeed. Our online platform includes live virtual classes, recorded lectures, discussion forums, and interactive learning activities. We also provide access to online textbooks, reference materials, and educational videos.

Faculty:

Our faculty members are highly qualified and experienced educators who are committed to providing a quality education that is grounded in Islamic teachings and values. They are passionate about teaching and dedicated to support the students in academic and personal growth. Our faculty members

hold degrees and certifications in their respective fields, and many have extensive experience teaching in traditional and online educational settings.
